

Srinidhi V

Graduate Application Developer

Srinidhi is a passionate Full Stack Developer with hands-on experience in building scalable web applications using modern JavaScript frameworks and backend technologies. With a strong foundation in React, Express, MySQL, and Spring Boot (currently exploring and applying in projects), and real-world exposure through academic projects and internships, he thrives on crafting intuitive UIs and efficient APIs. Deeply curious and committed to continuous learning, Srinidhi is currently exploring the intersection of AI and software engineering, while staying grounded in clean code, modular design, and collaborative problem-solving.

Other experience

Frontend Development Intern, Elementure Private Limited (Remote)

January 2025 – May 2025

Elementure is an innovative solutions company committed to driving digital transformation through cutting-edge technology. At Elementure, Srinidhi contributed to the development of responsive, client-centric web interfaces using React and SCSS. He was responsible for converting detailed Figma designs into scalable, modular frontend components, ensuring design consistency, cross-device responsiveness, and clean code structure.

This role deepened his understanding of modern web development workflows and emphasized the importance of precision, performance, and reusability in building production-grade UIs for high-tech markets.

Tech Stack:

React, SCSS, JavaScript, HTML5, CSS3

Skills

- Programming Languages: C++, Python, JavaScript, Java
- Frontend Technologies: React, HTML5, CSS3, SCSS, Tailwind CSS
- Backend Technologies: Express.js, Spring Boot
- Databases: MySQL, MongoDB
- Web Development Stack: MERN, Java Spring with React
- Concepts & Tools: REST APIs, CRUD operations, Responsive Design, Git and GitHub, WebStorm, IntelliJ, VS Code, Postman
- Certifications: Python, Full Stack Development

Education

Bachelor of Engineering (B.E), Computer Science

The National Institute of Engineering, Mysuru (2021 – 2025)

CGPA: 9.32 / 10

Pre-University Course (PUC), Science Stream

Sadvidya Composite Pre-University College, Mysuru (2019 – 2021)

Percentage: 98.83%

SSLC

Sadvidya High School, Mysuru (2016 – 2019)

Percentage: 96.96%
